When it comes to food, we keep taste and nutrition top of mind.

Our food

Love food? So do we. We use fresh and wholesome ingredients, prepared and cooked by our on-site chefs.

As you'd expect, menus are designed with nutrition in mind but that doesn't mean that taste is left behind! Food plays such an important role in our everyday lives and should be delicious.

To keep things interesting we frequently change our menus and get inspired by global cuisines. But if you love a particular dish, tell us and we'll happily repeat it!

Plus, in addition to tasty snacks and supper, we always have fresh fruit available.

Lifestyle programs to keep you young at heart.

Lifestyle and activities

A very warm welcome to your new home at VMCH Berwick.

Firstly, we want to reassure you that how you choose to spend your day is entirely your choice. Yet if you're looking for fun and stimulating activities and an opportunity to meet new friends, why not come along and try bingo, gentle chair exercises, quots, quiz quandary, bus outings or cooking.

On the other hand, if you feel like being pampered you can choose to enjoy a manicure or have your hair done at our salon.

There's so much choice, from art and craft or happy hour to concerts and special events.

Our approach to care is second to none.

Our Care Practice

We're all about you. So, what does that mean to us?

The VMCH Care Practice is designed to support you to live the life you choose. We're all about independence, engagement and collaboration. We tailor care to the individual, so if you need a more hands-on approach or a higher level of care, that's what we deliver.

We support our residents to achieve their full potential, maintain dignity, foster choice, promote wellbeing and keep community connections alive and well.

Easing in.

As helpful as it is having a plan in place, life often throws us a curveball. Our health might take a turn, or an unexpected event takes place. That's why we offer guests a respite stay (upon room availability).

The best way to think about respite is like taking a 'short break'. Some time out for rest and recovery. Many of our residents have joined us permanently after spending a couple of weeks with us. It's a great way to ease into aged care, helping to alleviate common concerns or worries.

Spiritual and Pastoral Care.

As a Catholic organisation, we offer Mass, rosary and other religious services to all our residents. You don't need to be Catholic to join us, we welcome people from diverse cultures and faiths.

If you're in need of a little support, then look no further than our Pastoral Care services. We're here to lend an ear, celebrate your joys, talk about what's important to you and help you practice your faith if you so desire.

We find that Pastoral Care can be particularly helpful during significant changes, like when you're settling into your new home.
