

Residential
Aged Care

Corpus Christi Clayton

80 Clayton Road, Clayton

VMCH

Now I'm moving into Corpus Christi, I feel safe and supported.

There's a real team environment to be found at Corpus Christi. Come and visit us, meet our staff and volunteers, and you'll see why.

Moving into aged care doesn't mean giving up your independence. Here at Corpus Christi we nurture and cater to your personal needs and choices; what makes you 'you'.

Clayton is a vibrant, multicultural suburb home to Monash University, Spring Valley Golf Club, Clayton Aquatic Centre, Oakleigh Market and Chadstone Shopping Centre. And it's only 19 kilometres from Melbourne's CBD! You might not want to venture too far though, with a library, chapel, kiosk and bar all on-site.

“The people at Corpus Christi are so positive and happy. They brighten my day! I am looked after superbly.”

- Kerrie-Ann Fogarty
Resident

When it comes to food, we keep taste and nutrition top of mind.

Our food

Love food? So do we. We use fresh and wholesome ingredients, prepared and cooked by our on-site chefs.

As you'd expect, menus are designed with nutrition in mind but that doesn't mean that taste is left behind! Food plays such an important role in our everyday lives and should be delicious.

To keep things interesting we frequently change our menus and get inspired by global cuisines. But if you love a particular dish, tell us and we'll happily repeat it!

Plus, in addition to tasty snacks and supper, we always have fresh fruit available.

Lifestyle programs to keep you young at heart.

Lifestyle and activities

Corpus Christi is your home now. How you choose to spend your day is your choice! If you're looking for fun and stimulating activities, we love getting involved with bingo, exercise classes, games, trips to the local shops, bus outings and excursions.

Feeling zen? You might choose to enjoy a manicure, have your hair cut or blow waved in our salon, join our art, craft and knitting group or just sit back and relax as you listen to our regular visiting entertainers or singing groups.

Did someone mention happy hour? That's on the cards too!

Our approach to care is second to none.

Our Care Practice

We're all about **you**. So, what does that mean to us?

The VMCH Care Practice is designed to support you to live the life you choose. We're all about independence, engagement and collaboration. We tailor care to the individual, so if you need a more hands-on approach or a higher level of care, that's what we deliver.

We support our residents to achieve their full potential, maintain dignity, foster choice, promote wellbeing and keep community connections alive and well.

Easing in.

As helpful as it is having a plan in place, life often throws us a curveball. Our health might take a turn, or an unexpected event takes place. That's why we offer guests a respite stay (upon room availability).

The best way to think about respite is like taking a 'short break'. Some time out for rest and recovery. Many of our residents have joined us permanently after spending a couple of weeks with us. It's a great way to ease into aged care, helping to alleviate common concerns or worries.

Spiritual and Pastoral Care.

As a Catholic organisation, we offer Mass, rosary and other religious services to all our residents. You don't need to be Catholic to join us, we welcome people from diverse cultures and faiths.

If you're in need of a little support, then look no further than our Pastoral Care services. We're here to lend an ear, celebrate your joys, talk about what's important to you and help you practice your faith if you so desire.

We find that Pastoral Care can be particularly helpful during significant changes, like when you're settling into your new home.

About VMCH

Here at VMCH, compassion, respect and inclusion aren't just words to us. As a Catholic not for profit organisation, these values underpin everything we do.

Our professional and compassionate teams are with you on your life journey; helping you with a wide range of support from early learning and therapy, specialist education, disability services, affordable homes, residential aged care, retirement living and at-home aged care.
